SUMMARY

Professional video editor with 5 years of hands-on experience in Adobe Premiere Pro, After Effects, and Photoshop. Specialized in crafting dynamic short-form edits, motion graphics, and kinetic typography for social media, branded content, and music videos. Comfortable working solo or collaboratively within a team to deliver clean, engaging, and on-brand results.

TECHNICAL SKILLS

- Cinematic Direction • Motion Graphics • Sound Design • Color Grading • Kinetic Typography

RECENT PROFESSIONAL EXPERIENCE

WAFFLES AND WHATNOT | Project Based Video Editor — March 2026 - May 2026

- Part of a team in creating an 8-chapter course, with over 80 long-form videos for WAWN University, focusing on core values, operational methods, accounting, and restaurant management.
- Utilized AI-Tools for asset generation, voiceovers, and b-rolls
- Created Animations and Typography for presentations and formula-focused scenes.

VONUBABY | Video Editor / Graphic Designer — November 2025 - January 2026

- Edited high-performing ads for Meta optimized to gain retention, site-visits and revenue.
- Designed graphics and images for Google PMAX and Amazon listings.
- Integrated the use of AI-tools such as Sora 2 and Nanobanana to generate 3D visuals and images for brand assets and B-roll

BRANDED AND BUILT | Motion Graphics Designer — July 2025 - October 2025

- Boosted viewer retention by 20% by creating animated explainers that capture audience's attention
- Created social media lower thirds that increased subscriber count by 10% per video
- Designed YouTube outros that drove 15% increase in engagement on various social media platforms

CANINESCIENCE.CO | Video Editor Contractor — July 2025 - September 2025

- Edited a 4-video series for a brand relaunch, ensuring brand alignment using on-trend video editing styles
- Created animated captions and motion graphics that fit well with the brand's identity, further boosting audience engagement
- Leveraged color grading techniques to optimize underexposed assets, ensuring seamless visual storytelling and brand consistency.

SOFTWARES

- Adobe Premiere Pro • Adobe After Effects • Adobe Photoshop • Figma
